## SPONSORSHIP OPPORTUNITIES 40TH ANNIVERSARY SEASON

Buckham (Buckham Fine Arts Project and Buckham Gallery) was founded in 1984 and remains a non-profit arts organization. Which means our exhibitions and programming are not dependent on or influenced by commercial sales of merchandise. Upholding our mission to present innovative contemporary art, both visual and non-visual, of the highest quality and standard for the enrichment of our community is of the greatest importance to us.

As we enter our 40th Anniversary Season, we are even more committed to our vision to support and nurture artists, build community and inclusivity, while challenging our audience to engage with art in new ways.

We grow in this vision with programming such as:

- Contemporary Art Exhibitions
- In depth artist conversations
- Shipping support for exhibiting artists
- Buckham at Karmanos
- Writer In Residence
- Cider & Slides events
- On Screen
- Student Internships
- Flint's Emerging Artist Fellowship with University of Michigan- Flint
- + Plus community favorites like Flint's ARTWALK and Buckham's B.Y.O.C.
